Re: CC Docket No. 02-6
Applicant Name: School Administrative Unit #15
Billed Entity Number: 120938
Form 471 Application Number: 465961
Funding Request Number(s): 1331098, 1331561
Your Correspondence Date: January 12, 2006

This letter is to appeal a denial decision our office received from Schools and Libraries Division. The original denial was issued due to my failure to respond to several requests for information not included in the original application which was submitted prior to my arrival at SAU #15. These requests were dated September of 2005 at which time I had been in my current position for two months. As this was the first time I was involved in filing for e-rate I was unfamiliar with the process and needed to devote enough time to become familiar and to get the required information. There

were numerous projects that needed my complete attention for the first 2-3 months after my arrival and I did not realize the funding for the school district would be in jeopardy if the information was delayed, otherwise I certainly would have addressed the issue in a timely manner.
